WEST VIRGINIA WESLEYAN COLLEGE

Buckhannon, West Virginia

In September, 1890,—just fifty years ago—this educational institution opened its doors and welcomed its first body of students. The Semi-Centennial of the *Founding* of the school was properly celebrated at commencement time this year.

The Founders of the College fully accepted Christ's teaching of the immeasurable worth of each separate human being. They believed that teachers frankly and fully accepting this view would be most effective in training leaders for the church and state.

For fifty years the College has been true to the faith of the fathers. And now a movement is in progress to commemorate the Semi-Centennial by adding a million dollars to the resources of the College. This movement was organized five years ago. The campaign for funds—perhaps it ought to be called a crusade—was launched in the spring of 1939.

At Commencement time of 1940, the totals received in bequests, gifts, and pledges had crossed the half-million mark; but it cannot stop short of its goal. Successes achieved should strengthen the resolution to complete the task.

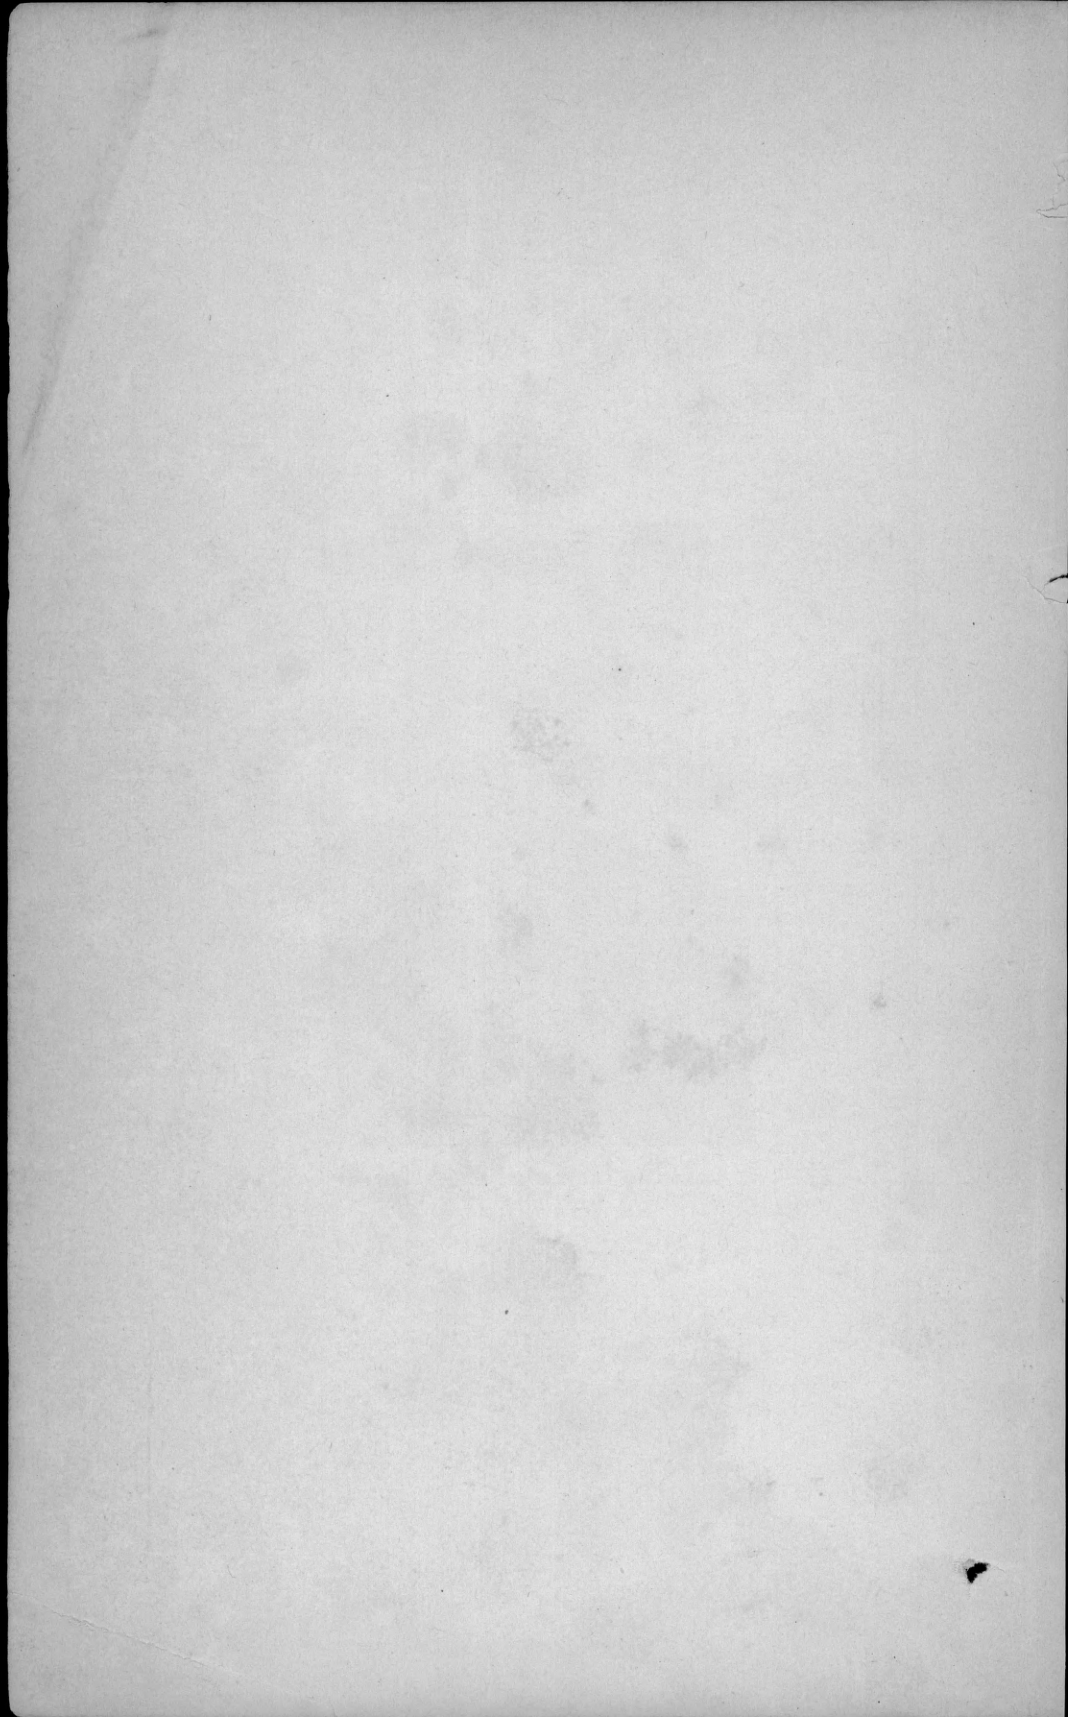

The College must be relieved of debt. The buildings must be put in proper repair. A new library must be erected, and a half-million dollars must be added to the permanent endowment.

The Board of Trustees of the College are determined to go forward. The Annual Conference has authorized the continuance of the movement. This is not a time for a Conference-wide personal solicitation. Most of the work for the present must be done privately. *However, it is time when all Methodists in West Virginia are urged to pray earnestly that the full goal may be reached and that the College may be enabled to do even greater things in the training of Christian leadership for the next half century.*

LAY ACTIVITIES

Report No. 1

The Conference Board of Lay Activities of the West Virginia Conference of the Methodist Church proposes the following objectives:

1. The continuance of emphasis on teaching and promotion of Christian Stewardship during the year, including stewardship of life, personality, talent and influence as well as stewardship of property or possessions.

2. Extension of the practice of personal evangelism in every possible way. We realize that Christian witnessing goes hand-in-hand with the preaching of the Word in the extension of Christ's Kingdom among men.

3. The promotion of Lay speaking or preaching in the work of the Church. Special attention to the fitting observance of Laymen's Day in all Churches, using as many laymen as possible in the program. The date set for Laymen's Day is February 23, 1941, or as near that date as practicable. Co-operation with the pastors in providing worship services in every Church every Sunday, by the use of Lay speakers or leaders when necessary.

4. Leading the membership of the Church to the realization that the office of District Superintendent and their co-operation and leadership is essential to the Lay Activities program and the Church.

5. To work toward a goal of "A Sound Financial System in every Church" which will assure "An Adequate Support of the Ministry."

6. We are committed to a program of cultivation and promotion in the interest of full payment of Benevolent acceptances. This program to include such information as will lead the membership to a better understanding of the purposes and necessity of the Benevolences.

7. Close co-operation between pastors and lay leaders in all phases of Church work. We indorse the Annual Meeting as a suitable means of interesting the membership in the work of the Church at large.

8. Organization and training of Official Boards should be such as to promote efficiency in the work. To this end we propose a meeting of the Conference Board and other leading laymen in a

school or institute for stewards and Church officials. Such a meeting to be in some central location, and to be under instruction of some strong leader of the Church.

9. We recommend a meeting of the Board of Lay Activities of each District as soon as practicable after Conference, but not later than November 1st. This meeting to be called by the District Superintendent and the District Lay Leader in each District. The purpose of the meeting shall be to plan for the setting up and carrying forward the work of the Lay Activities for the year.

PERMANENT TRUST FUND—REPORT NO. 1

The following statement was presented by S. B. Hart for record. Whereas, by reason of the adjustments of annuity funds between the former Baltimore Conference of the Methodist Church, South, and the former West Virginia Conference, M. E. Church there is need for an exchange of certain annuity allotments, to be authorized by the West Virginia Conference. During the past Conference year the Baltimore Conference has paid to its annuitants the full years claim; and as a certain number of these annuitants were by legal right claimants upon the funds of the West Virginia Conference, we are asking the Conference for this authorization: That thirty-seven percent of the benevolent monies collected in the Charges of the Moorefield and Lewisburg Districts, which formerly belonged to the Baltimore Conference Methodist Episcopal Church, South, be turned over to the former Baltimore Conference M. E. Church, South, and in exchange a sum in the amount of at least \$1800.00.

RESOLUTION—PERMANENT TRUST FUND—REPORT NO. 2

Resolved, That the action of the West Virginia Conference extending the work of the Permanent Trust Fund Commission of the former West Virginia Annual Conference, M. E. Church, which resolution was approved on Thursday, September 25th, by vote of the Conference, be and is hereby revoked, and the following substituted in place thereof.

That the West Virginia Annual Conference, Methodist Church create a Permanent Trust Fund Commission, to be composed of twelve members, six Ministers and six Laymen with the following tenures of office: Four members to serve for three years; four to serve or two years, and four to serve for one year. Said members to be nominated by the Cabinet and to be approved by the Annual Conference.

When such nominations have been made and approved they shall meet for the purpose of organization and the transaction of such business as shall immediately demand attention before adjournment of the Conference. Such business transacted to be presented to the Conference for approval.

The said Commission so constituted shall meet during the Conference year for the purpose of adopting a constitution and By-Laws for the governing of the work of the Commission. Such By-Laws shall be presented to the next session of the West Virginia Annual Conference for approval; and when such approval shall have been given, application shall be made to the Secretary of

State of West Virginia for a charter that will grant the said Commission corporate rights for the receiving and holding Trust Funds, the proceeds of which funds are used for the support of the retired Ministers, widows and orphan children of ministers of the Methodist Church within the membership of the West Virginia Conference, Methodist Church.

FRANCIS ASBURY EDUCATIONAL FUND

RESOLUTION NO. 2:

WHEREAS, the Baltimore Conference of the former Methodist Episcopal Church, South in its final session recommended the amendment of the charter of the Francis Asbury Educational Fund so as to bring about the election of two members of the Board of Trustees of that fund from the membership of the Methodist Church in the West Virginia Conference, and

WHEREAS, These two Trustees are to be nominated by the West Virginia Conference we recommend that C. W. Fink and C. E. Brandt be nominated by this Conference for election to this Board of Trustees immediately upon the required amendment of the Charter of the Francis Asbury Educational Fund.

REPORT—CONFERENCE BOARD—HOMES AND HOSPITALS

The attention of the Conference is invited to the fact that this, the largest Conference in the Northeastern Jurisdiction of American Methodism, is without either a home or hospital and that the opportunity is ripe for service in both fields.

Your Board has held one meeting in Parkersburg and several in Huntington. It has considered the hospital situation in West Virginia, both generally and in detail by communities. The population of West Virginia in 1930 and in 1940 has been considered by counties and by localities and population trends have been noted. The hospital statistics of the entire state for 1939, as reported by the 1940 Hospital issue of the Journal of the American Medical Association have been studied thoroughly, and the ratio of hospital beds to community populations has been considered.

Experience has shown that denominational hospitals prosper best where the need is greatest, and the experience of our Church has been that Methodist Hospitals are when the volume of service rendered is considered, in fact community hospitals and serve the entire population of the communities in which they are located as well as the Conference to which they belong. The Hospital, therefore, should be in a large enough center to assume a sustaining patronage. Your Board is now studying the state further along these lines, especially a few large communities, and hopes soon to have a concrete project to present to the Conference.

It is further the opinion of your Board that a hospital in this Conference, properly supported by the Conference generally as to patient patronage, and located in a community where there is an actual need for such protestant institution, would be self-sustaining from the beginning; that there would be no cumulative indebtedness; and that the only Conference outlay, as such, would be the initial cost of plant and equipment.

We recommend that our Conference take seriously the field of the Healing Ministry and plan very soon to establish a Methodist Hospital within the bounds of our Conference.

COMMISSION ON FINANCE**Report No. 1**

One year ago you laid upon us the duty of studying and reporting to you a feasible plan for a sustentation fund guaranteeing a minimum salary. Your Commission accepted this arduous task in

122 C

the same brotherly spirit which prompted you to ask it of us. Some of the Commission gave the matter study over a period of months, after which the whole Commission set up a sub-committee to make surveys and produce a plan. After many days of work and comparisons with the plans of other Annual Conferences, they have done this, and their report has been canvassed and debated by the Commission and is now presented to you.

We regard this plan as distressingly inadequate; but we also look upon it as a good start in the right direction.

In offering it to you we have proceeded under the provisions of the 1939 Discipline in Paragraphs 816-819 inclusive.

Therefore, in accordance with your instructions and the Disciplinary law,

BE IT RESOLVED:

I. That the West Virginia Annual Conference of the Methodist Church establish minimum salaries in two categories: (1) Traveling preachers of our Conference in the Full Connection: (2) Preachers on Trial and Accepted Supplies.

II. That the minimum salary for the first category be \$750.00 and for the second category \$600.00.

III. That the Conference raise a Sustentation Fund by (1) apportionments to the Pastoral Charges consisting of 1% of their apportionments for the pastor's cash salary and (2) by an equitable apportionment of 1% "on that part of the salaries of all Effective Ministerial members" of the Conference "above the minimum salary fixed." And the Board of Missions shall match this sum dollar for dollar until the minimum is reached.

IV. That the above Sections be modified by the following provisions: (1) No beneficiary of the plan may receive more than \$300.00 per year, except that (in order to encourage all charges eventually to become self-supporting) in the case of pastors who receive a total of \$500.00 as salary the Sustentation Fund may, when able, add one dollar to each two additional dollars which the charge pays until the minimum is reached. (2) The pastor of no charge lowering the pastor's salary in any year shall be eligible for aid from the Sustentation Fund the succeeding year, unless the Board of Administration of the Sustentation Fund (hereinafter set up) be convinced on written representation of the District Superintendent that an exception should be made. (3) Pastors of charges failing to pay their apportionments on ministerial support or meet their benevolent acceptances shall not be eligible for aid in the succeeding year, unless the Board of Administration of the Sustentation Fund be convinced on written representation of the District Superintendent that an exception should be made. (4) No one shall

become a claimant on this Fund who has other equal means of support, and the Board of Administration shall be informed in writing of such cases by the District Superintendents.

V. That collections for this Sustentation Fund begin with the termination of this session of the Annual Conference, but that disbursements shall not begin until the Conference year 1941-42 at which time the Board shall arrange to make monthly payments under this plan.

VI. That the District Superintendents be urged to hasten all practicable consolidations of churches within charges in order to make possible the independent payment of the minimum salary adopted, and furthermore, overlapping charges after 1942 shall be ineligible for aid.

VII. That this fund shall be made the same as an item of ministerial support and the District Superintendents shall be charged with responsibility for supervising the collection of the prescribed percentage along with all other such items.

VIII. Remittances shall be made to the Conference Treasurer and disbursements shall be made by the Conference Treasurer on the authorization of the Board of Administration.

IX. That an Annual Conference Board of Administration of the Sustentation Fund be set up. This Board shall be nominated by the Cabinet and elected by the Conference and shall consist of three clerical and two lay members and shall adopt their own rules of procedure so long as they are in harmony with this total plan.

CONFERENCE COMMISSION ON WORLD SERVICE AND FINANCE

Budget Report No. II.

ITEM 1—Your Commission recommends the adoption of a fifty-fifty parity on World Service apportionment and Conference Benevolences:

For World Service.....	\$125,174.53
Conference Benevolences	\$125,174.53

The conference Benevolences to be apportioned on the following percentage basis:

Conference Board of Missions and Church Extensions.....	46%
Conference Board of Education.....	40%
Conference Expense Fund	12%
Conference Board of Lay Activities	1%
Conference Commission on Evangelism	1%

Item 2—General and Conference Benevolences to be distributed as a single item.

General Administration Fund....	\$3,469.32
---------------------------------	------------

All these items shall be apportioned to the Districts and to the respective charges on an equitable basis, having regard to the number of members in each, as the first factor, and to the amounts contributed by it for Ministerial Support (not counting Missionary Aid,) current expenses (exclusive of money raised for debt, interest, building and improvements, and all special campaigns,) and for Annual Conference and General Benevolences, as the second factor. (See par. 828—1940 Discipline.)

ITEM 3—We recommend a continuation of the plan adopted last year for the support of the District Superintendents; namely: a sum equal to ten percent of the pastor's salary for each charge.

ITEM 4—Your attention is called to the action of the General Conference which requires a fund equal to 2¼ % of the pastor's salary for the Episcopal Fund.

REPORT OF DISTRIBUTING COMMITTEE

Immediately after the close of the Conference session of 1939 Bishop Leonard announced the appointment of H. V. Wheeler, H. W. Sturm and S. B. Hart as a Distributing Committee to meet with like appointees from other Conferences contributing to the organization of the present West Virginia Conference. Previous to such appointment a committee had been announced for the three former Conferences within the State of West Virginia.

The above-named committee from West Virginia Conference met with representatives from Baltimore Conference, M. E. Church, Baltimore Conference, M. E. Church, South, Wilmington, Virginia and Maryland Conferences—two meetings were held in Baltimore and one in Washington, D. C. At each of these meetings the one objective was to find an amicable adjustment of all matters pertaining to

the mergers brought about by the unifying of the three branches of Methodism. Harmony prevailed at each of these sessions, and the Christian Spirit was the dominant note.

The West Virginia Annual Conference discovered that the only Conference it had to deal with in matters of adjusting locations of retired ministers, widows and orphan children of ministers was the Baltimore Conference, M. E. Church, South. The basis of such adjustment was found in the fact that such adjustment was predicated on retired ministers being located in the Conference where they had served their last charge before retirement. Four ministers in the retired relation came to the West Virginia Conference, with a total of 114 annuity years. There were six widows with a total of 106 annuity years.

The Baltimore Conference, M. E. Church, South, paid the claims of these ministers and Widows for three-fourths of the Conference year, leaving the West Virginia Conference the balance, a sum reaching \$2,638.18. This has been paid by the Treasurer of the Board of Conference Claimants, but in the adjustment agreed upon, will receive from the former Baltimore Conference a sum of money that will closely approach the wiping out of the money advanced to the aforesaid Baltimore Conference, leaving the West Virginia Conference a beneficiary Conference.

Another Distributing Committee having to do with Conferences other than the ones named, met with similar representatives for adjustments of Conference Claimants' Funds. With the Western Virginia Conference equitable adjustments were made. However, with the former Pittsburgh Conference, M. P. Church, we were not so fortunate, and at present but little progress has been made. But your committee expects to carry on until all inter-Conference relationships are amicably adjusted.

Respectfully submitted,

REPORT No. 1
BOARD OF EDUCATION

We wish to express our appreciation to our Conference and District Staffs, to our College Presidents and their Faculties, to our District Superintendents, and to all others who with patience and consecration have enabled us to chart our way during the confusion and the complexity of these merging days. We rejoice in the challenge that comes to the members of the new Board and bespeak for them the same fine spirit of cooperation that you have given us.

We are happy to report that West Virginia Wesleyan and Morris Harvey Colleges have had an excellent year. . . . The total enrollment of our Colleges, counting full time, part time, extension and Summer School students exceeded 2800 . . . Our Wesley Foundation Program at Morgantown has been carried on most effectively through the cooperation of the Director and the Pastor of the Wesley Methodist Church.

Varied and comprehensive training opportunities have been provided for our people. There were 29 schools offering credits, with 135 courses, touching 516 churches and issuing approximately 900 credits. Six Intermediate Camps or Institutes were held, 5 Young People's Camps, Institutes or Conferences, one Senior Conference and one Young People's Assembly were Conference-wide. More than 2500 were reached by these formal training opportunities. Of this number 834 were young persons and their leaders, coming from 279 churches.

41 Young Peoples Unions or sub-district organizations have been organized. Four of our Young People participated in the Youth Crusade Caravans in other Conferences, while our Conference Youth profited by the presence of one of the Caravans, which served us for 8 weeks. 292 of our young people enrolled for training in Long Courses, and many hundreds of them have been helped by their Union meetings. The new Conference officers have been elected and will be installed at their Annual Banquet on Saturday evening of this week. It is utterly impossible to list the services rendered to Youth by our Conference Staff, and other assistants.

Attention has been given to the Methodist Church School Advance, to Extension work in rural areas, to the furtherance of Missionary Education and giving; to Rally Day, Childhood and Youth Week, Church School Day, the Home and Foreign Mission-

ary Enterprise, and to all emphasis requested by the three Boards under which we have operated. Much effort has been spent trying to help our schools make more effective use of Methodist literature.

2. Cooperation with other Boards in promoting World Service Sunday in all church Schools.

B. District Objectives

1. Provide that due care be given to the selection and training of all District Directors.
2. A Christian Education Institute be held in every District as soon as possible after the adjournment of the Annual Conference.
3. Cooperation of the Conference Staff with the District Superintendents in sub-dividing or zoning the District with a view to uniformity in the total program of the Church.
4. Provide for youth organization in sub-divisions of the Districts and an accredited Training Conference for Youth in each organization.

And that the following Boards and organizations be asked to cooperate with the Board of Education in planning, promoting, and conducting the school, and in financing it. The Board of Ministerial Training, the Board of Missions and Church Extension, the Board of Lay Activities, and the Conference Society of Christian Service. Each of these Boards also is asked to appoint

two persons from its membership to serve on a Joint Board of Managers.

3. A conference-wide Children's Workers' Camp, a Conference-wide Intermediate Camp, two or more Conference-wide summer assemblies for youth.

4. We recommend a committee appointed by the Board of Education to study the problem of camps or meeting places and facilities for an adequate summer program of Christian Education. Committee to report to the Board in 1941.

5. We suggest as a worthy objective a special effort to secure accredited instructors for our training program, and to try to reach and maintain the standards set by our church.

6. Give cooperation and help in every way possible to our conference Colleges, and assume responsibility for the Wesley Foundation in cooperation with the Division of Educational Institutions of the General Board, in accordance with the Disciplinary Plan of the Church. And provide for proper and adequate recognition of our Church Colleges in the local churches that these institutions may secure the support and patronage they merit.

7. Develop an adequate extension program of Christian Education and Evangelism with the joint aid of the Board of Missions and Church Extension, Conference Commission on Evangelism, and the Conference Youth Organization, and Woman's Society of Christian Service.

8. Promote Vacation Church Schools.

9. Make provision if possible for the Conference Board Officers and conference staff to attend the Conference on Christian Education in Nashville, December 4-10.

10. The publication of a Christian Education News Bulletin monthly, or ten issues a year, by the Conference Staff.

REPORT No. 3

COLLEGES

West Virginia Wesleyan College closed its first half century of service with a total enrollment of 947 students and a graduating class of 98. She entered the first year of the second half century with a record attendance. The semester opened September 14 and to date the enrollment is 462 full-time students. Late registrations

will continue this week, and probably next. There will likewise be a large enrollment of extension and part-time students not counted in the above figure.

Morris⁴ Harvey College during the academic year of 1939-40 had a total enrollment of 1371 students, with 547 enrolled during the summer term making a total, for the twelve months' period of 1918 students. 75 graduated at the commencement of 1940. The college is well organized and is rendering a first-class educational service, though somewhat handicapped because of inadequate material facilities. The serious handicap is not the fact that our quarters are rented but that we will not be able to find sufficient available space within a year or two.

The trustees of the college have purchased a campus on the banks of the Kanawha River immediately opposite state capitol. They also have underway a campaign for funds with which to build.

The Board of Education nominates for members of the Board of Trustees of West Virginia Wesleyan College to serve for four years the following:

C. G. Stater
M. C. Miles
D. C. Pickens
S. B. Hart
E. Ray Jones

Arthur V. G. Upton
Clay Whetzell
L. C. Shingleton

We recommend that the Board of Trustees of West Virginia Wesleyan College at this time and hereafter elected or reelected, shall on attaining the age of 70 years be considered as trustees emeritus, without vote but who may be granted the privilege of the floor; provided that trustees elected or reelected prior to 1929 shall not be affected by this rule.

At the request of the President of West Virginia Wesleyan College we nominate the following as members of the Visitor's Committee for 1940-41:

V. C. Cutright
Judge Harry Shaw
Harris A. Jones

J. T. Browning

2. To serve for two years:

J. B. F. Yoak, Jr.	Rev. C. E. Brandt
--------------------	-------------------

West Virginia Wesleyan College asks for the privilege of continuing its Semi-Centennial Campaign and Morris Harvey College asks for authority to continue its Building Fund Campaign. We recommend concurrence.

We recommend that the General Board of Education be asked to make a study of the needs of our conference concerning educational institutions, and on the basis of this study, recommend to the Conference Board of Education what should be our conference educational program with respect to our colleges. Furthermore, that this study be completed if possible, in time for the conference Board of Education to make a report to the annual conference in 1941.

We record here, for information, the appointment of a Committee on Educational Institutions:

Bishop James H. Straughn	J. F. Marsh
T. M. Zumbrunnen	H. P. Campbell
A. E. Bennett	Clyde O. Law

We recommend that the present members of the Campus-Church Relations Committee be re-elected for the ensuing year.

We approve the Foundation's proposed budget of \$2,400.00 for 1940-41.

**DISTRICT SUPERINTENDENT'S REPORT
OF THE
WEST VIRGINIA CONFERENCE**

Bishop James H. Straughn and members of the Conference, greetings. We the District Superintendents of the West' Virginia Conference of United Methodism, bring to you the following report of the work of the Conferece year 1939-1940.

Our Honored Dead

We call the roll of those who have passed from the Church Militant to the Church Triumphant. They are as follows:

Rev. C. H. Buchanan, superanuated, Rev. O. L. Hawkins, Rev. L. E. Ressegger, Rev. R. T. Webb, Rev. I. N. Fannin, Rev. J. F. Pennybacker, Rev. H. S. Hutsell, Rev. T. J. Lewis, Rev. T. G. Fletcher, Rev. H. W. Hunter, Rev. J. W. Morton.

Also the following preacher's wives:

Mrs. V. A. Nanna, Mrs. I. F. Rickett, Mrs. J. S. Wickline, Mrs. Perry' Robinson, Mrs. W. W. Bragg, Mrs. R. D. Hall.

Our New Bishop

By the action of the Jurisdictional Conference which met in the initial session last June Bishop Adna Wright Leonard, who had served only a short while in the new Conference, was sent to the Washington Area. His marked ability, wide experience and complete knowledge of the Church's program were of great value in setting up the Conference organization and launching it out into a field filled with unlimited possibilities. Our earnest prayers go with Bishop Leonard into his new work.

By the action of that same Conference Bishop J. H. Straughn was appointed to the Pittsburgh Area of which West Virginia Conference is a part. We extend to him a most gracious welcome. He brings to the Conference a warm heart, a brotherly spirit, a deep consecration to the Master's work, a love for, and an understanding of men. We are indeed fortunate in having his wise leadership to guide us in this period of transition. Bishop Straughn, we pledge to you our loyal support and faithful cooperation in all the work of the Conference.

The New Conference

The Uniting Conference which met in Kansas City, 1939, brought about the uniting of the three branches of Methodism in its larger aspects. This was done in a very remarkable way, but the Conference faced the problem of working out the merger as it was related to Conference activities. This has been no easy task. It has required diligent study and intensive work. The results, however, have been most gratifying. We come to the close of this our first year of United action with the feeling that our labors together have greatly advanced the Kingdom of God in this great state.

This could not have been accomplished without the hearty response of both Pastors and Laymen throughout the Conference. Former loyalties were laid aside, and the three groups became one not only by the legal action of the Church but also by the consciousness that we are laborers together with God in a great and challenging task.

Lay Activities

The new Church has provided an opportunity for the Laymen to carry on a larger and more aggressive program than ever before. We are glad to know that the Laymen are taking advantage of this opportunity. We are confidently looking forward to a great awakening among the Laymen. The General Conference has provided the machinery. We have competent men and a needy field. The Laymen face a great challenge.

Women's Work

The organization of Women's work of the former Methodist groups has not been an easy undertaking. The women have met the challenge heroically and prayerfully. This is attested by the fact that many local societies in each district have already organized into the new society, viz., The Women's Society of Christian Service. We believe that other Societies will be organized in the Conference under the stimulus which the new task provides.

Christian Education

A. West Virginia Wesleyan College has started her second half-century with a splendid enrollment and fine prospects for an excellent year. The Semi-Centennial Program was carried through with record attendance at the various events scheduled during the last commencement. A class of 98 was graduated—the second largest in the history of the Institution.

The Semi-Centennial campaign for \$1,000,000 has not been completed, and it is the desire and plan of the Board of Trustees to continue the effort until the goal is reached. In addition to subscriptions, a number of substantial bequests have been made, some which are already settled. Two new memorial buildings have been promised for the near future, but the donors have requested that their names be withheld for the present.

The greatest needs of the college to insure permanence and superior work are: a library building, larger endowment, and better contributed support from the Conference.

B. "Morris Harvey College is experiencing phenomenal growth in its new location in Charleston. Since it moved in 1935, the enrollment of full-time students has increased from 196 to 533, and in addition, the College has enrolled during last year 860 part-time students. Added to this, the 547 enrolled in Summer School gives a total gross enrollment of 1965 for the past twelve months. The prospects for the present academic year are most encouraging.

The College has lived within its budget and increased its capital resources. A new campus site has been secured on the banks of the Kanawha River, opposite the State Capitol, and a campaign is now under way with which to secure funds to erect an administration building.

Those who are charged with the responsibility of administering the college program are quite optimistic over the prospects for the future."

C. We note with gratitude the progress that has been made this year in the field of Christian Education and Leadership Training. Thirty-two (32) Vacation School and Institutes were held with more than six hundred (600) in attendance. We also commend the work of the Youth Division. A program consisting of the Leadership Training School at Jackson's Mill, the Assembly at Camp Caesar, and the Epworth League Institute at Buchannon was carried out.

Spiritual State of The Church

We rejoice to note that the Church has made remarkable progress in spiritual growth. Reports will show that some 1200 revivals were held and that more than 5000 were added to the Church on profession of faith. To this can be added 3000 received by certificate.

Benevolence and Ministerial Support

It has been difficult to get an accurate picture of the General Benevolence of the Church. These funds were sent through the channels used by the three former groups, making it difficult to report the totals. We believe, however that some gain will be shown when the figures are finally tabulated.

Pastors' salaries have in some instances been increased and paid in full while many others are reporting a shortage on this item.

The Church and World Peace

Wars are raging in the world today. Millions are being driven from their homes. Property and wealth have been confiscated to make possible the destruction of more homes and more human lives. Never before in history have such death-dealing implements of war been devised for man's destruction. The Totalitarian powers are seeking to destroy every vestage of national liberty. Our very civilization is threatened as never before.

What is the Church's responsibility? Through it there are open the channels that lead to the source of Divine Power. It is imperative that these channels be kept open and prayer constantly offered that peace may come to the world again.

Church Property

It is with no small degree of interest that we note what progress has been made on the retirement of indebtedness in church property. Approximately \$175,000 has been paid on an approximate indebtedness of \$500,000. We trust that a special effort be made in the coming year to continue the "debt payment" program. We are carrying about \$5,000,000 in insurance on Church and parsonage property; yet much of our property is uninsured and some inadequately covered. Careful consideration should be given to this important matter.

The construction of 10 churches and 2 parsonages has been begun this year. One District Parsonage has been purchased.

The uniting of local congregations, in many places, has made it necessary to make some property adjustments. Careful efforts are being made to adjust these matters in such a way as to insure harmony and cooperation in communities involved.

The District Superintendents have given particular attention to the election of trustees for churches and parsonages, and to having such trustees properly certified at the county courts.

Recommendations

Our labors for the year 1939-40 are now a matter of history.

We have not accomplished all that is needed to be done. But we look confidently to the future, believing that our Church will be a mighty force for righteousness in the days of testing. We offer the following recommendations:

1. We are working under a new discipline which is just off the press. We urge that all pastors and officers of local churches secure the book of discipline at once and become acquainted early with the laws of the Church set forth therein.

2. Careful consideration should be given to the circulation of our Church Literature. The Christian Advocate, the World Outlook, and The Upper Room are indispensable. These should be in every Methodist home.

3. We also call attention to the need for a great advance in Evangelism. We are called to this task by the General Conference, by the challenge of our Master, "Go unto all the world and preach the gospel to every creature," and by the thousands of unchurched that are within the bounds of our great Conference. We strongly urge that the coming year be one of Evangelistic appeal.

4. We are fortunate in having in the West Virginia Conference two Methodist colleges, West Virginia Wesleyan and Morris Harvey. These institutions are doing a fine type of work, and are worthy of our loyalty and support. Our Young People should attend these colleges. We recommend that Conference-wide publicity be given to our institutions in order that our high school graduates who are planning to enter college may be sufficiently informed concerning them. Our colleges need our Youth; our Youth need our colleges.

5. The publishers of our church are making it possible for us to secure the very best Church School literature that can be found. It fits well into the total program of the church. We urge that Pastors and Church School Superintendents see to it that this literature is used in all our Church Schools.

Lastly, United Methodism has come into being at a time when there is disunion and discord throughout the world. Never in our history has the Church faced a more momentous hour. Our prayer is that this union may become a symbol of unity for all phases of the world's life, and serve in part at least, as a foundation upon which the Brotherhood of Men shall be built.

We give thanks to Almighty God for His protecting care and guiding spirit during the year. We continue to trust Him for guidance in these days of uncertainty and world confusion.

"God of grace, and God of glory, on thy people pour Thy power. Crown Thine ancient church's story; bring her bud to glorious flower. Grant us wisdom, grant us courage, for the facing of this hour."

JOSEPH WALTER MORTON

Joseph Walter Morton was born at Lizamore, Clay County, March 29, 1885 and departed this life March 18, 1940. He was the son of the late Rev. George W. Morton and Sarah K. (Harvey) Morton, both of whom have preceded him in death. Brother Morton only had a free school education, but he knew the Lord. He was converted in early life, at the age of fourteen years, but was not licensed to preach until June 22, 1927. His first Circuit was West-terly, staying there three years; next Elmhurst, staying there four years; next Bomont, staying there five years and next Amma, staying there one and one-half years when God called him home. He had felt his call to preach all his Christian life but would not yield, but he loved the work and worked hard at the job. In September 1908 he married Mattie Keeney of Clay County. She, with one son Litmer Morton, survive. Funeral services were conducted at Amma, then at Lizamore by W. M. Given assisted by Rev. Ross Culpepper, Rev. Chapman and Rev. Lear and the body was laid to rest in the family cemetery to await the resurrection day.

R. T. WEBB

Robert Thomas Webb was born at Louisburg, North Carolina, August 30, 1866. He graduated from Randolph Macon College in 1890 and Vanderbilt University 1902. Randolph Macon conferred upon him the honorary degree of Doctor of Divinity in 1920. He married Mary Adelaide Robertson of Virginia in 1898.

Dr. Webb was received into the ministry of the Methodist Episcopal Church, South, in 1895. From then until the time of his retirement, a few years ago, he served his church with honor and distinction in Virginia and West Virginia. He occupied many of the leading pastorates of the Western Virginia Conference. He was Professor of Bible at Morris Harvey College. He was also Vice President of the College for three years and served as President for three years.

In the field of church administration he served as Presiding Elder, President of the Conference Board of Christian Education, member of the General Sunday School Board, and as a member of the General Conference.

Whatever his task he tackled it with hope and confidence, with an undying love for his people. Everywhere he lived and labored in the Conference there were people sitting in the shadows to whom he brought comfort and light. The poor, the needy and the sinful were of great concern to him. He had a real passion for the lost. He was constant in his effort to bring men and women into a saving knowledge of the Lord, Jesus Christ. He will be remembered by all who knew him as a man of tenderest sympathies, deep devotion to his church, and an abiding faith in his Heavenly Father.

He passed to his eternal reward last March 19th. His body was laid to rest at Petersburg, Virginia, to which town he had moved after his superannuation.

CHARLES HENRY BUCHANAN

A faithful minister of Jesus Christ, Charles Henry Buchanan, entered into his heavenly rest on April 25, 1940. He was born in Rockbridge County, Virginia, August 10, 1858, and spent much of his ministry in the Old Baltimore Conference. When quite a young man he felt the call to preach. With the blessings of his mother upon him he entered Vanderbilt University to prepare himself for his life's work. He was appointed in 1884, by Bishop McTyeire, to Chapel Hill charge, in the Texas Conference.

On October 20, 1885, he was happily united in marriage to Miss Maggie Gwinn Baskette, a descendant of one of the early ministers of the Tennessee Conference who became a faithful helpmate throughout his long and useful ministerial life.

After serving three charges in Texas, Brother Buchanan was transferred to his native Baltimore Conference where he served a number of charges. A break in health caused him to transfer back to the Southwest where he served in Texas and Oklahoma for a number of years. In 1926 he returned to the Old Baltimore Conference. Finally, at Durbin, West Virginia, because of ill health, he was forced to take the superannuate relation, after which he moved to Richmond, Kentucky, to spend the remainder of his days with his only daughter, Miss Pearl Buchanan.

Brother Buchanan was a man of versatility and talent, and had an unusual gift for writing. He was a great contributor to the periodicals of his Church, and his pen was always on the side of righteousness. He had a marked talent, also, for evangelistic preaching, and a great company of more than 3000 believers came

into the church through his instrumentality. As a preacher he declared God's truth without fear or favor; as a pastor he was faithful in the shepherding of all who were in his care.

So closes the record of a long and useful life; and we believe that the trumpets on the other side have already sounded in salute to this faithful minister of Jesus Christ.

THOMAS G. FLETCHER

On April 7, 1940, Rev. Thomas G. Fletcher slipped away from those who loved and esteemed him here to a better and eternal home. A few weeks before his death he was talking to some friends and made the remarks that he had almost gone to Heaven. Not long after that, severe pain gripped his body; which was not relieved until death gave him the great release. His going means a great loss to many whom he had loved and served.

He was born at Smith Landing, Ohio, on March 25, 1867 and although much of his life was spent in the city of Charleston, he never lost his love for the farms and the country life of his "beautiful Ohio."

He was married forty years ago to Miss Lina Withrow. There were no children and she is the only near relative to mourn her great loss.

For many years Brother Fletcher was an official of the Bowman (now Central) Church of Charleston. He united with the West Virginia Conference late in life—in the year 1916.

He served the following charges, Dunbar 3 years, Nitro 4 years, Kincaid 3 years, Sharon 2 years, Wake Forest 1 year, Clay 3 years and Hamlin 1 year. In each place he was esteemed by his people and left constructive work.

He retired from the ministry after serving 17 years in the effective ranks. He became a member of the Quarterly Conference at Shepherd's Church in Charleston and was faithful to all its activities. He delighted in preaching, wherever an opportunity was offered.

Funeral services were conducted from this church where Rev. H. E. Crowder preached the funeral sermon because of the often

repeated "command" of Brother Fletcher as to a "son well beloved." Others having a part in the funeral were: Rev. A. M. Samuels, Rev. John Beddow, Dr. W. M. Given and Rev. T. W. Hayes.

Burial was made in the Withrow cemetery.

Truly a good man has been taken from us.

OLIVER LEE HAWKINS

Oliver Lee Hawkins, Sr., was born at Lenoir, North Carolina, January 3, 1878, the son of Thomas and Martha Hawkins. He died in Charleston, W. Va., October 17, 1939, age 61 years.

Brother Hawkins attended New Hope Academy and later Appalachian State Normal School. He joined the Blue Ridge Atlantic Conference of the Methodist Episcopal Church in 1914, but transferred to the West Virginia Conference in 1919. In North Carolina he had two pastorates, Harker's Island and Troy. In the West Virginia Conference he had the following pastorates: Decota, Sissonville, Clay, Nitro, Malden, Brandonville and Brave, Pa. He remained in the active Ministry until 1938, when he was forced to retire on account of ill health.

Brother Hawkins was twice married. His first wife died in 1913. He is survived by his wife, Mrs. Dessie Broyhill Hawkins, six children, four children by his first marriage and two children by his second marriage, his father and mother and several brothers and sisters.

Funeral service was held at Nitro, W. Va., Thursday, October 19th in the Methodist Church, a church which was built during his pastorate there. The funeral service was in charge of his pastor, the Rev. Arta F. Shomo, assisted by an old time friend of the deceased, Dr. E. J. Westfall. Song selections rendered were "Sunrise Tomorrow" and "The Home of the Soul." His body was laid to rest in the Sunset Memorial Cemetery, a few miles up U. S. Route No. 60 from St. Albans while the chimes played "Nearer My God to Thee."

Brother Hawkins was a successful Minister. His pulpit messages were straightforward and sincere. He was a man of God, known for his consecration and hard work. His loved ones like to think of him in the spirit of the lines of James Whitcomb Riley:

"I cannot say, and I will not say
That he is dead—He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land.
And left us dreaming how very fair
It needs must be, since he lingers there.
And you—O you, who the wildest yearn
For the old-time step and the glad return.
Think of him faring on, as dear
In the love of there as the love of here;
Think of him still as the same, I say:
He is not dead—He is just away!"

THOMAS JEFFERSON LEWIS

Thomas Jefferson Lewis was born July 3, 1870 near Buckhannon, W. Va. He was a son of Jacob and Amelia Hinkle Lewis. Death came at the home of his only sister, Mrs. Cora Montgomery at Adrian on May 18th, 1940 at the age of sixty-nine years. Other members of the family are U. G. Lewis of Baltimore, Md., Urban Lewis, Gaston, W. Va., Bernard Lewis, Buckhannon, W. Va., and Dr. Hillera R. Lewis of Pittsburgh, Pa.

His early education was obtained in the schools of Upshur County. Later he entered West Virginia Conference Seminary from which he was graduated in 1904. For several years he was a teacher in the public schools of his home county.

He became a member of the West Virginia Conference in 1906 and gave thirty-two years to the Christian ministry. Twenty years of this time was spent in Marshall County. He was three times the pastor of Moundsville Circuit giving nearly half of his ministry to this charge, where he was greatly beloved.

Toward the end of his illness he made this statement: "I always went about my work doing it the best I knew and keeping myself in the background." He was a christian gentleman and a good servant of Jesus Christ. He was a lover of nature and a true friend of country folk.

His funeral was held in the Pleasant Dale Methodist Church, Upshur County, May 20, 1940. B. T. Trevey was in charge of the service. Others taking part were: Dr. J. E. Wells, his District Superintendent, Dr. Roy McCuskey, Dr. W. S. Boyd, D. J. Combs, and Russell Lowther.

ISAAC NEWTON FANNIN

Rev. I. N. Fannin, the son of Isaac and May Fannin, was born in Boyd County, Kentucky, November 22, 1866, and passed on to his eternal home December 14, 1939, after a short period of suffering with cerebral hemorrhage, previous to which he was apparently, in good physical condition.

He married Miss Flora Leist of Barboursville, W. Va., February 21, 1894. This union was blessed with three children—Chester, Lillian and Flora, all of whom are living, married and fine members of the Methodist Church.

Brother Fannin was licensed to preach in 1899, and after serving as a supply pastor for three years was admitted on trial in the Western Virginia' Conference at Clarksburg in 1892. He was ordained Deacon in Huntington 1894, by Bishop John C. Granberry and admitted into membership in the Conference. At Charleston, in 1896, he was ordained an Elder, by Bishop O. P. Fitzgerald. He continued in the active work of the Ministry until 1936, at which time he was granted a Superannuate Relation. He then moved to Barboursville, where he had a good home, and became very active in the work of the local church there until his death.

He showed marked ability as a preacher and leader in the very beginning of his ministry, and after serving Centenary, Ashland, Ky., and Ravenswood he was assigned to the Clarksburg District as presiding Elder. He, also, later on served the Charleston District as Presiding Elder for four years. He was pastor of quite a number of our most important churches during his ministry.

He was an all-round man, good preacher, great builder, fine pastor, attentive to the sick and the aged, deeply concerned about the lost and possessed such a sweet disposition in his dealing with all the people. He delighted in exalting our Christ, and loved the Church and gave himself for it.

He was a good husband and father, and they will miss him, but with us, they will see him again.

HARRY S. HUTSELL

Harry S. Hutsell, son of Rev. Robert A. and Lucille Hutsell, was born October 5, 1881, at Sweetwater, Tennessee. He fell asleep on March 10, 1940, in the parsonage at Bramwell, W. Va., and was

buried in Knoxville, Tennessee. His funeral was conducted from Bramwell Church by his District Superintendent, Rev. C. G. Eastwood, assisted by several brethren of the Conference.

He was admitted on trial in Holston Conference in 1906, and served the following charges: Damascus Mission, Washington Pike, Emerald Avenue, Stonega, Rockwood, Mountain City, Glade Spring, Montcalm, Eckman, Coalwood, Kimball, and Bramwell. He became a member of the West Virginia Annual Conference by virtue of the Methodist Union.

Brother Hutsell was twice married. On April 25, 1906 he was married to Miss Erma May Hickman, in Bristol, Virginia. Deprived of children, they early adopted a daughter, and infused into her life

their love and ideals of Christian living. Only a short while before Brother Hutsell's death, he was married to Miss Alice Morgan, of Bramwell, who survives him in her faithful devotion to the work of the church.

Harry was the son of an itinerant Methodist Minister. His life was developed under circumstances of favor, his faith arising

as his mind was made to see the reality of truth about him. His Ministerial life within recent years was within the bounds of Blue-field District. He understood the program and needs of the coal-field and was always ready to cooperate in the work peculiar to this section.

He was quiet in manner, sincere in his attitudes, and found his greatest joys in the work of the ministry to which he gave himself in youth. He did his work for the glory of his Lord, and the advancement of His Church, and cared little for any other recognition. He loved people and manifested this love through a friendly attitude toward both the ministry and the people he served.

"Know ye not that there is a prince and a great man fallen this day in Israel?" But he was gone to join the blood-bought multitude about which he used to talk so eloquently. Thither, by God's grace, let us follow him.

"I lost a friend the other day—
His heart was brave and strong and true.
Our days were sweet, but all too few;
He passed from earth—the other day.
But while I see him no more,
I know that on a happier shore,
Not here, but in eternity,
God will give back my friend to me."

William Hunter

In the month of May, 1940, this Minister of the Methodist Church passed from the scenes of earth to the House not made with hands. William Hunter during the years of effective service in the West Virginia Annual Conference was a preacher of fine ability, giving much attention to the promotion of revivals of religion and the faithful care of those who had been brought into the church through his efforts. After thirty-five years in the effective relation he retired from active service, and during the past twenty-two years had made his home in Parkersburg, where he had regularly attended church services as long as physical conditions permitted. After the death of his wife twenty years ago he had made his home with friends in Parkersburg. Through the years of his ministry he proved himself faithful to the trust the church had placed in him.

Rev. James F. Pennybacker

I knew this man very intimately for more than forty years. He spent quite a number of weeks in our home. I baptized his only child when she was eight days old in a catholic hospital, in the arms of a baptist nurse, at Austin, Texas. She is now the Latin teacher in the High School at Montgomery, West Virginia.

The thing about Bro. Pennybacker that always impressed me more than any other was that he had a good foundation upon which to *live* and *build*. His knowledge of our Lord was not just a "hear-say knowledge." He was not satisfied to merely listen to what some one told him about Christ. He was convicted of sin, repented and trusted in Christ, and consequently had a *revealed* knowledge of Christ. He knew the meaning of "He that believeth on the Son hath the witness in himself." He delighted in the fact that "If any man be in Christ he is a new creature." He was a firm believer in the church of Christ. To him the church was a mighty force—God's mighty force—moulding and building character.

He gave his life to Christ and His church forty-two years ago, and entered the ministry of the Methodist Episcopal Church, South in September, 1899. In 1901 he was ordained Deacon by Bishop Wilson, and in 1903 he was ordained Elder by Bishop Morrison.

He had a fine knowledge of the great truths of the Bible. He was not interested in trying to get hold of some catchy, new thought, but was deeply concerned about how sin will ruin the life into which it enters, and how the power of God can destroy sin, and cleanse us from its guilt. He delighted, therefore, in preaching on such themes as the awfulness of sin, the atonement, repentance, regeneration and the witness of the Spirit. He was a very resourceful preacher, confining his statements to the subject being discussed.

He passed on to our Father's house on August 27, 1940, after living here about 65 years, while serving as pastor of the church at Richwoods, West Virginia. He had served a large number of strong churches during his ministry.

Impressive memorial services were held in his memory at Richwoods and Barboursville, after which his body was placed in the Oaklawn Cemetery at Barboursville. A host of his brethren attended the services.

He leaves his wife, who stood faithfully by him during the years, and his daughter, Sarah Frances Jones, and a grandson—all of whom will greatly miss him, but they know where to meet him after-while. May our Lord lead them on.

A. M. MARTIN.

DR. LEWIS E. RESSEGGER

"The trumpets are calling, I've come to the sea,
But far out in the moonlighted glow,
I still hear the trumpets, they're calling to me,
The trumpets are calling—I go.

And lo, a strange boatman is here with his bark,
And he takes me, all silent and dumb;
But my trumpets! my trumpets!, they peal through the dark
The trumpets are calling—I come."

On January 2nd, 1940, Dr. Lewis E. Ressegger, minister of the Methodist Church for almost half a century, heard the sound of the trumpets and answered their call. Dr. Ressegger had been in ill health for only a few months. While he had retired from the effective relationship in 1936, he was not satisfied with inactivity and in 1937, at his request, he was appointed to supply the East Moundsville Charge. For two years he served that charge to the delight of his people.

Dr. Ressegger was born in Wetzel County and was a son of Jacob A. and Samantha McColloch Ressegger. He was educated in the schools of West Virginia and North Dakota. Most of his higher education was in the latter state. After graduation he served for seven and a half years in the North Dakota Conference. He then returned to his native state where he served First Church, Elkins; First Church, New Martinsville; Calvary Church, Moundsville; and Glendale. In addition to these pastorates, he served as Presiding Elder and District Superintendent for nineteen years—a record that has not been equalled in the West Virginia Conference.

During the years of his superintendency he traveled over country roads that were hardly more than trails. Much of the year it was impossible to drive a buggy over them. He had either to ride horseback or walk from the railroad station to rural churches, some of which were located as far as twenty miles or more from the nearest station.

He served for several years on the Board of Trustees of West Virginia Wesleyan College. His interest in and his love for the college has seldom been equalled and never surpassed. Twice he was elected to the General Conference of the Methodist Episcopal Church. He worked faithfully for the union of Methodism and his greatest ambition was to preach one year in the Methodist Church. That privilege was denied him because of failing health.

Dr. Ressegger was a true Methodist. He loved the Methodist Church—not that he did not love others. He loved them more because he loved his own most. He was behind every movement and program for a more righteous world. He was fearless in his denunciation of evil, courageous in declaring the truth, and zealous in the promotion of the Gospel. His industry and devotion to the Church will ever be an inspiration and a challenge to his brethren of the ministry.

His first wife was Mrs. Irene Floyd of Marion County. To them were born five children, four of whom—Floyd G., Dr. Oscar C., Mrs. Harry L. Green, and Mrs. K. L. Van Horn together with the second wife, Mrs. Anna B. Miller Ressegger, survive.

MRS. JENNIE VIOLA RICKETT

The subject of this brief sketch, Mrs. Jennie Viola Rickett, was born in Virginia, February 23, 1868, and passed to the Heavenly Home, in February of 1940, at the home of her daughter, Mrs. Thelma Morrison, Cresmont Road, Charleston, after a brief illness. She was united in marriage to Rev. Ira F. Rickett, May 28, 1890, and had made her home in West Virginia for the past forty years. Her husband had preceded her in death about eighteen years. Funeral services were conducted by her pastor, Rev. C. S. Thompson, of Wesley Methodist Church, Charleston, and burial was made in Lone Oak cemetery, Point Pleasant. Surviving are three daughters, Mrs. Lucy Faulknier, Mrs. Vida Smith, and Mrs. Callie Beane, as well as one son, Robert H. Rickett. There are also five grandchildren. Children and grandchildren all reside in Charleston. Thus passes from the sight of earth one of the noblest women to be the wife and companion of that husband who labored as a Methodist minister in the West Virginia Conference many years.

MRS. RICHARD D. HALL

Mrs. Effie Leah Bayes Hall, widow of Rev. Richard D. Hall, was the daughter of Mr. and Mrs. William Bayes, and was born in Glenwood, Ky., December 19, 1882, and passed from this life January 20, 1940. She was the mother of twelve children, eight of whom survive her, namely, Richard H. Hall, of Lynch, Ky.; Walden M. Hall, James H. Hall, Mrs. J. T. Bing, Mrs. Ward C. Knotts, of Huntington; Mrs. J. Forrest Hutson, Portsmouth, Va.; Esther Lois Hall, Charleston, and Beatrice Hall, Huntington.

During their married life, her husband filled the following appointments: Earl, Summersville, Ronceverte, Wadestown, Fairview, Clarksburg, Jefferson Avenue, Huntington, Williamstown, Spencer and Beverly Hills, Huntington. Her husband preceded her in death by five years. A devoted wife and mother, a great Christian character, her influence was felt in each parsonage home and church where her husband served as pastor.

MRS. BEULAH MARY BRAGG

Mrs. Beulah Mary Good Bragg, the wife of Rev. William Wilson Bragg, a retired Minister of the West Virginia Conference of Parkersburg, was called from this life to her reward on February 28, 1940. She was fifty-two years of age; a native of Wisconsin; was married to Mr. Bragg May 5, 1905 at Camp Douglas, Wisconsin. Mrs. Bragg was a devoted help-mate in a parsonage home and gave many years of service to the church in assisting her husband in his work.

The funeral service was conducted from the First Methodist Church by the Rev. Perry B. James, Minister. The beautiful floral offerings were a tribute to the love and esteem in which she was held among her friends. In the language of an unknown author Mrs. Bragg passed from this life into "A Plan Far Greater."

There is a plan far greater than the plan you know,
There is a landscape broader than the one you see.
There is a haven where storm-tossed souls may go—
You call it death—we, immortality.
Farewell, dear voyager—'twill not be long,
Thy work is done—now may peace rest with thee.
Thy kindly thoughts and deeds—they will live on,
This is not death—'tis immortality.

MRS. ADDIE S. NANNA

Mrs. Addie S. Nanna was born at Long Bottom, Ohio, August 10, 1854, the daughter of Thomas and Elvira Sheldon. At Carbondale, Ohio, August 1, 1881 she was married to Rev. V. A. Nanna, who came to the West Virginia Conference in 1890. To this union were born four children, one who died in infancy and a son Frank, who died in 1915, two children surviving being, E. H. Nanna of Washington, D. C., and Mrs. J. A. Phillips of Charleston, W. Va.

As the wife of a Methodist Minister, she was active in the duties usual to such a position until her age caused her to relinquish such duties, but she was always most interested and enjoyed knowing what was going on in the Church and keeping informed as to the movements of the various ministers she had known.

She was taken ill on January 31, 1940, and passed away at the home of her daughter, Mrs. J. A. Phillips at Charleston, W. Va., on the 16th day of April. The funeral service was held at Moundsville, W. Va., by Rev. W. S. Patterson and she was laid to rest in Greenlawn Cemetery.

Her character was best expressed by a gentleman who had known her since he was a little boy. When he came to see her as she lay in state at Moundsville, he said, "She was a grand lady."

STELLA CATHERINE ROBINSON

Mrs. Stella Catherine Robinson, wife of Rev. Perry Robinson, died September 13, 1939. She was injured in an automobile wreck and died in Cook Hospital in Fairmont. She had attended the closing session of the Annual Conference on September 10th.

She was born at Aloy, Tyler County, West Virginia, Jan. 16, 1886. She was the daughter of Lloyd W. and Samantha J. Parks.

She was converted very young in life and united with the Methodist Episcopal Church and at the time of her death was a member of the First Methodist Episcopal Church in Fairmont.

She was united in marriage to Rev. Perry Robinson on June 11, 1910, and to this union were born three children, Lyndon H., D. Parks, and John L.

Mrs. Robinson was very active in the local church, in the W. C. T. U. and City Missions. She was a woman well liked by all who knew her and great tribute was paid by the various organizations of which she was a member.

She was much devoted to her family, a woman of gentle and loving disposition. Her daily life was a benediction. She could have said with Paul, "I live, yet not I, but Christ liveth in me."

SARAH WHITING WICKLINE

Mrs. Sarah Whiting Wickline, the wife of the late Rev. J. S. Wickline, was born February 25, 1847, in Pocahontas County, then a part of Virginia. On December 5, 1939, at her home in Renick, West Virginia, she quietly and peacefully passed to her reward.

The funeral services were held at the Methodist Church at Renick, conducted by her pastor, Rev. S. L. Cottrill. She was laid to rest by the side of her husband in the Renick cemetery.

Mrs. Wickline united with the Methodist Episcopal Church very early in life. For over thirty years she labored in the vineyard of the Lord with her husband.

To her every soul was precious. Those who were in need did not appeal to her in vain. A mission passion filled her soul. She contributed liberal amounts to Home and Foreign Mission work.

During her retirement years every pastor in the Renick Charge had a loyal friend and supporter in Aunt Sarah Wickline.

MRS. MARTHA ONEAL TALBOT

Mrs. Martha Oneal Talbot was born January 26, 1851, near Philippi, Barbour County, Virginia, now West Virginia, the daughter of Lemuel and Jemima Oneal and died May 19, 1940.

She married Martin Talbott on May 26, 1878. Mr. Talbott became a minister in the West Virginia Conference and served pastorates for 18 years until the time of his death in 1906.

They became the parents of two children, Flora, wife of the Rev. A. L. Davis of Verona, New York, and D. Fred of Fairmont, West Virginia with whom she was living at the time of her death.

Descending from an ancestry of pioneer Methodists, Mrs. Talbott joined that Church in early childhood and for many years was a member of the First Methodist Church of Fairmont. Funeral services were conducted in the home, May 22, by her pastor, Rev. Denver C. Pickens.

Interment was made in the Barrackville Cemetery by the side of her husband.

HISTORICAL RECORD—FORMER WEST VIRGINIA METHODIST PROTESTANT CONFERENCE

Having been charged with the duty of finding a place for the custody of the official records of the former West Virginia Conference of the Methodist Protestant Church and of making typewritten and carbon copies of the minutes of those sessions not now found in printed form, and also of selecting the public libraries where the reception of these historic records might still serve a useful purpose.

Therefore, for the information of all concerned I beg leave to report my efforts to carry out the provisions required as above stated.

First, I deliver to the West Virginia Wesleyan College the official journals as prepared by the several Secretaries of the above said Conference and also a copy of the minutes of each session held after that date.

Dr. Roy McCuskey, the president not only graciously received these historic records but furnished a safe place of deposit for them.

Second, Contingent upon the adoption of this report I have agreed to deliver the typewritten copies of the sessions of the aforesaid Conference for all the years from 1855 to, and including the year 1881 to the Duke University. For these typewritten copies I am to receive such remuneration as shall be mutually agreed upon between Dr. Paul N. Garber and myself.

Third, From privately owned copies of published minutes I have donated a complete set of the aforesaid records to the Westminster Theological Seminary at Westminster, Md.

Fourth, With the assistance of Dr. I. A. Barnes who furnished the West Virginia University with his collection of published and mostly bound volumes for the years 1877 to 1939, I furnished enough carbon copies to make a complete file of the aforesaid minutes for this State Institution.

Fifth, With the assistance of Dr. Barnes I have prepared a book containing a tabulated list of the assignments of pastors for each year of the duration of the said Conference, and an alphabetical and chronological list of the minutes with the appointments served, a list of delegates to the Annual and General Conferences and much other information believed to be of historic value.

A copy of this book, I hope to make available for the Historical Society of this Conference if it is desired by said Society.

Signed:

W. H. HART, Sec'y.

Asbury Rides Again

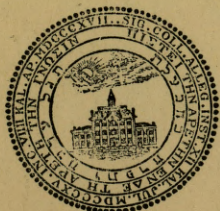

*"Carrying the vision of a living faith
And letting its enlightenment
Make all men Christian brothers."*

WITH early Wesleyan zeal for learning and evangelism graduates of BOSTON UNIVERSITY SCHOOL of THEOLOGY go forth eighty-strong each year to become religious leaders all over the world. Their hundred-year record for such service is scarcely less than miraculous: 4,251 pastors; 321 missionaries; 26 bishops; 126 college presidents; and 33 religious journalists. For further information about the School write to President Daniel L. Marsh, 688 Boylston Street, or Dean Earl Bowman Marlatt, 72 Mt. Vernon Street, Boston, Massachusetts.
